ANDRÉ'S FAME COLOMBARD

VINTAGE: 2026

CULTIVAR: 100% Colombard

IN THE VINEYARD: Mechanically harvested in the early mornings at optimal phenolic ripeness, these Colombard grapes flourish in nutrient-rich soils and a climate that balances warmth with cooling breezes, producing fruit bursting with tropical aromas and vibrant freshness.

ABOUT THE HARVEST: The Colombard grapes are harvested early in the morning at optimal ripeness to preserve their vibrant aromas and natural acidity. Careful hand-picking ensures only the finest fruit enters the winery, capturing the essence of the vineyard in every bottle.

IN THE CELLAR: Once harvested, the Colombard grapes are gently pressed and fermented at controlled low temperatures to preserve their aromatic freshness. The wine is carefully matured in stainless steel tanks to maintain its vibrant tropical fruit character and crisp acidity.

IN THE GLASS: A lively and expressive Colombard, bursting with concentrated tropical fruit aromas, showcasing prominent guava. This unusually aromatic varietal delivers vibrant acidity that lifts the palate, while bold layers of ripe stone fruit add depth and richness. A refreshing yet full-flavoured wine with remarkable character and balance.
