LIKE FATHER LIKE SON WINES

This range is made for early enjoyment and the wines express an abundance of lively, fresh and fruity flavours. The range pays tribute to a truly complimentary team – Andre and his son, Jacques, who combine their experience, personal attention and love for wine to produce this range – truly a reflection of two minds.

LIKE FATHER LIKE SON CHENIN BLANC

VINTAGE: 2026

CULTIVAR: 100% Chenin Blanc

IN THE VINEYARD: Planted in red alluvial soils that naturally limit vigorous growth, the Chenin Blanc produces small, concentrated berries. This balance between soil and vine enhances flavour intensity and defines the wine's vibrant character.

ABOUT THE HARVEST: Mechanically harvested in the early morning, grapes are mechanically harvested in the cool of early morning. Bunches are destemmed, crushed, and left on the skins to enhance flavour extraction.

IN THE CELLAR: Free-run juice, at 620L/ton, is clarified and fermented in stainless steel tanks at 14-16°C for two weeks. After fermentation, the wine is racked off the gross lees and left on fine lees before being filtered and bottled, resulting in a fresh, vibrant Chenin Blanc.

IN THE GLASS: What you see is what you get with this delightful Chenin Blanc. Subtle notes of stone fruit and fresh citrus linger on the palate, while complex tropical fruit flavours add depth. Easy-drinking and versatile, it finishes with a lingering, fruity elegance that makes it a welcome addition to any table.

FOOD PAIRING: Pairs beautifully with Asian pork dishes, simple cream-based pastas, vegetable crisps, or a bowl of zucchini fries. Also perfect with seafood, fresh salads, and light summer dishes - an ideal quaffer for warm-weather enjoyment.
