

BON COURAGE ESTATE

BON COURAGE ESTATE WINES

These wines truly form the heart of the Bon Courage Estate, identified by their elegance, consistency in quality and intense fruit flavours. The range is extensive due to the diverse terroir that characterizes the estate.

WHITE MUSCADEL

VINTAGE: 2025

CULTIVAR: Muscat de Frontignan

IN THE VINEYARD: Grown in sun-kissed Robertson vineyards, the White Muscadel thrives on well-drained soils that enhance its natural sweetness and aromatic intensity. Careful canopy management ensures optimal ripening, allowing the Muscadel grape to develop its signature floral aromas and luscious fruit character, resulting in a wine that is as vibrant in the glass as it is in the vineyard.

ABOUT THE HARVEST: Muscat de Frontignan grapes are carefully hand-harvested in the cool of early morning at 25–26° Balling to preserve their delicate floral aromas and natural sweetness. Gentle handling ensures the vibrant character of the Muscadel is retained from vineyard to cellar.

IN THE CELLAR: The grapes are destemmed and crushed, then left on the skins for 24 hours with regular pump-overs to enhance aroma and flavour. Once the juice is separated from the skins, it is fortified with brandy spirits and racked several times to clarify the wine, preserving its vibrant character and natural sweetness.

IN THE GLASS: This sweet-scented nectar captures the essence of summer in every sip. It delights with fragrant floral aromas and a luscious, honeyed palate that reflects the very best of the Muscadel grape. Refreshingly smooth and beautifully balanced, it's the perfect sundowner for a hot summer's day. Serve well chilled or over crushed ice for pure indulgence.

FOOD PAIRING: This versatile fortified wine pairs beautifully with both sweet and savoury dishes. Enjoy it alongside a rich selection of cheeses topped with dried fruit, or serve it with fruit tarts, crème brûlée, or nutty desserts for a decadent finish to any meal.

ANALYSIS: Alc: 15.59% | TA (g/l): 5.2 | PH: 3.39 | RS (g/l): 247
